Nurturing Leaders of Tomorrow...

ABOUT PODDAR GROUP OF INSTITUTIONS

Poddar Group of Institutions, established in 1998, is one of the leading educational groups in Rajasthan to promote higher studies with a vision of purposeful education. Today, we are a conglomeration of five Institutions, under affiliations of University of Rajasthan, Rajasthan Technical University, Rajasthan University of Health Science, RISU & approval of Directorate of College Education, NCTE, NIOS, IMA and other certifying bodies.

Poddar Management and Technical Campus was started in the year 2011 approved by AICTE and affiliated to Rajasthan Technical University. The College has set up a benchmark to prepare the students for the upcoming challenges in the corporate world by imbibing creative and analytical thinking, problem solving, and other industry relevant skills. The institute is coming up with a separate campus for Management Programs providing students with global exposure through its IIC, MHRD Centre guided by Mentors and corporate leaders.

The institute is Ranked No. 3 in Rajasthan, amongst best colleges of India by India Today survey 2025. The Institute also ranks at no. 1 in ROI Rajasthan college wise and 27th in India (ROI) by Business Today - MDRA Survey 2025. The institute is ranked no. 56 in INDIA by Times B School - 2025. And the institute also ranked no. 61 North India's Best B-Schools by India Today - 2024. The institute is accredited as the only institute in Rajasthan to be awarded as Centre of Excellence (COE) and research centre by Rajasthan Technical University (RTU) Kota, considering the quality education imparted by the institution.

The campus of this premier business school is located in Jaipur with the spiritual lush green surrounding with the eco-friendly Solar powered infrastructure.

MISSION

VISION

VALUES

OUR MISSION

“To Succeed in Your Mission, You Must Have a Single Minded Devotion to Your Goal.”

– Dr. Abdul Kalam

The goal of our revered institution stands on the pillars of quality teaching and learning, deprived of which, the progress and development of any child is fractional. Through the medium of research and outreach plans, rendezvous of the pupils with many renowned people across different fields, the institution aims to create, convey, and apply the available knowledge to expand the personal growth of the students. Another important aspect which the institute refuges is the advancement in the social and community development which would, in turn, lead to an improved quality of life.

Paying heed to the leading scenario which points towards increased level of competitiveness in the modern world, our institution provides a holistic environment to the students for their overall development.

OUR VISION

To foster learning and achieve excellent standards of quality education keeping in pace with rapidly changing technologies and best practices.

**“EDUCATION with a
PURPOSE”**

CHAIRMAN'S MESSAGE

With the idea of providing “Education with a Purpose to Shape a Better Future” and developing new frontiers of knowledge Poddar Group of Institutions was established. With the objective to empower India's youth to be more employable and self-sustainable, the foundation of the institution was laid 28 years ago. We have been focusing consistently on achieving high standards of academic excellence by providing holistic and multidisciplinary education through our innovative pedagogy, incredible infrastructure, outstanding faculty and industry-oriented learning. We strongly believe that Academia & Industry should come together to share each other's expertise accompanied with greater commitment to make a truly knowledgeable, skilled and progressive society. Most of the successful people have achieved through absolute dedication to the cause. So students try to make the most of the opportunities provided to you as you have to evolve yourself and emerge as winners.

Dr. Anand Poddar

Founder & Chairman
Poddar Group of Institutions

Vice Chairperson's Message

Holistic Education takes a big-picture view of learning. Emphasizing upon the all-round development of an individual, we have been consistently catering to the needs of our students keeping into consideration the changing scenario.

Realizing that students need more than just a strong foundation in a core curriculum, they also need to be supported by a community and to develop an empathetic understanding of the world. Our proficient faculty often engage students in projects that apply critical-thinking skills toward solving real-world problems.

Poddar Group of Institutions takes the responsibility of shaping the future of the nation and society by developing good human resources by fulfilling academic needs of our students.

Our thirst for bringing out well qualified individuals of high caliber to take advantage of immense opportunities the world offers, manifests our mission of relentless service in the field of Education.

Keep Aspiring, Keep Achieving!

Mrs. Roopal Poddar

Vice Chairperson, Poddar Group of Institutions

EDUCATION
is not
PREPARATION
for life
education is
LIFE itself...

PRINCIPAL'S MESSAGE

Poddar Management and Technical Campus has been the foremost institution of technical education in the state. This institution of higher learning has immensely contributed to the nation building by providing intellect talent possessing demanding analytical, design, practical and managerial skills.

Our efforts with absolute sincerity and dedication have always borne fruits and I firmly believe that the students of the college shall leave no stone unturned to continue the tradition of the institution to reach the new heights of success in the field of Education.

Let's pledge to keep the light of knowledge always alive and ensure making education accessible to all.

Dr. Payal Upadhyay

Principal,
Poddar Management & Technical Campus

DEAN'S MESSAGE

I take immense pleasure in introducing you to Poddar Group of Institutions where management programs are truly innovative and path-breaking. Every decision comes with multiple choices and a significant amount of time is invested to align what you need to do and what provides the best value for your money. Management Education and Learning Environment at Poddar Business School, Poddar Management and Technical Campus and Poddar International College is unique, transformative and an innovative featuring highly interactive classes and technology- enhanced learning. We offer a wealth of opportunities, including overseas exposure, community services and industry connections. Our programs offer Experiential Learning where theory meets practice with business simulations, live projects, industry specific assignments, seminars, rich industry-academic collaborations and much more. Our mission is to deliver an outstanding learning experience to our students. Management Programs at our Campus are crafted to develop responsible business leaders. We look forward to welcoming you to one of our vibrant campuses.

Dr. Sunil Kakkar

Dean – Academics, Commerce and Management

WHAT INDUSTRIALISTS & ACADEMIC LEADERS SAY ABOUT PODDAR

I had a wonderful time here! Students here are so vibrant, amazing, ready to learn & that is a very impossible quality. It's a very wonderful thought process & this whole foundation that has been built so strong. I wish Poddar all the best.

Capt. Yashika Tyagi

Ex- Indian Army Officer & Kargil War Veteran

Poddar is creating Job Creators! When I came here, I thought it is just going to be any college event like most of the colleges have but the scale at which Poddar is doing such kinds of useful seminars, events & the way it has been made interactive & the way students have participated is amazing. Thanks to Poddar for having me here!

Deepak Gadhia, Chairman, Sunrise CSP Pvt.

I would like to congratulate Shri Anand Poddar for creating an ecosystem and giving young minds an opportunity to work on new ideas, new challenges, come up with new technologies. These initiatives are giving students a platform to work upon ideas which are native, innovative & which give real world solutions. I again would like to congratulate Poddar Group of Institutions!

Abhay Jere,

Vice Chairman, AICTE
Chief Innovation Officer for the Ministry of Education

I would like to thank the entire Poddar Group for inviting me! It was a great experience interacting with students & guiding them for their future path. Interacting with students is what I always like & Poddar doing this interaction at such a big level is I think a wonderful initiative.

Rajat Arora,
Founder, Deeceline
TedX Speaker

Promoting Startup culture is very important and I think that is exactly what Poddar is doing for their students... It's a pleasure always coming to a college & talking to students who are just about to start their corporate life. These extracurricular things are so important for students as the competition is growing a lot faster these days but it is really wonderful to see Poddar College helping students!

Gaurav Taneja, Founder, BeastLife

It was my pleasure being here at Poddar Institute! I look forward to coming back to the institute, and I also look forward to the institute doing very well over the next few years, and I only promise all the support that is required by the college.

Prof. Nimit Rajan Choudhary

Vice Chancellor of Rajasthan Technical University

I must say that all the students are in good hands at Poddar College, and with the kind of track record Poddar College is having, along with the intention and vision of Dr. Poddar, I am rest assured that the students here will do very, very well in the coming future!

Mr. Shashi Kiran

Chief Public Relations Officer, North Western Railways

MANAGEMENT DEVELOPMENT PROGRAM

Our Management Development Programs (MDPs) are the flagship programs that corporates benefit from. Highlight of our successful Mindful Leadership Training conducted for Greenlam Industries-among the world's top three largest laminate manufacturers & suppliers in India. This MDP, focused on cultivating mindful leadership skills, exemplifies our commitment to provide cutting-edge and industry-relevant training.

STUDENT DEVELOPMENT PROGRAMS – EXCHANGE

Embark on a Transformative Journey with Poddar Management and Technical Campus!

Welcome to the Poddar Management and Technical Campus, where excellence meets innovation. Our Individual Student Development Program stands as a testament to our commitment to shaping the future leaders of the management world.

Join us in this unparalleled initiative that extends a gracious invitation to students from esteemed B- schools, creating an environment where learning reaches new heights. Our campus becomes a hub for knowledge exchange, where participants glean insights from distinguished faculty members, enriching their understanding of the ever-evolving landscape of management.

We take pride in our collaborations with prestigious institutions such as Fore School of Management Delhi, FIIB Delhi, ITM Mumbai, and others, establishing a network that elevates the quality of education. This year, we were honored to host bright minds from renowned establishments like St. Francis Management Institute of Management Studies, Pune and North Cap University, Gurugram.

Our program is meticulously curated to provide participants with practical knowledge and skills that seamlessly integrate into both their academic and professional endeavors. As we celebrate the accomplishments of this year, we eagerly anticipate fostering more collaborative partnerships and offering transformative experiences to the future leaders of management education in the years to come.

Join us at Poddar Management and Technical Campus – where your journey towards excellence begins!

STUDENT CLUB COUNCIL

One of the integral parts of Student Development at Poddar Group of Institutions is supporting and facilitating co-curricular activities and opportunities. Poddar students have exciting lives beyond the classroom and student clubs enrich the student experience.

Student clubs are student-driven and promote healthy, educational, cultural or social events for club members and the community at large. Student groups organize programmes on a variety of topics, along with social events and community service.

OATH CEREMONY

INNOFEST

INDIA-2.0

Creating Job Creators...

Poddar Group of Institutions and the Federation of Unicorn Innovative Startups and Industry once again successfully organised the largest two-day startup fest, InnoFest India 2.0, in September. This time, the event was not only held at the state level but saw participation from startups across the entire country. We had multiple supporting state partners from Andhra Pradesh, Tripura, Uttarakhand, Meghalaya, Tamil Nadu, Gujarat, and more. Not only this, the fest was supported by major giants such as the Development Commissioner (Handicrafts), Punjab National Bank, AU Small Finance Bank, Hilton, World Stock Exchange, Meta Apply, Canara Bank, Startup Floara, StartupsNews, and Startup Doc. In terms of participation, we had 1000+ startups, 300+ investors, and over 1000 students. Rajasthan witnessed its largest startup fest, bringing together industrialists from diverse sectors, corporates, startups, investors, venture capitalists, unicorn founders, bureaucrats, and students from across India, recording an impressive footfall of over 8,000 attendees. The two-day fest featured Signature Talks, Panel Discussions, and an exclusive Shark Tank House, with distinguished speakers joining from all over the country. The celebrated YouTuber Mr. Gaurav Taneja inspired the audience by sharing his entrepreneurial journey and encouraging young aspirants to pursue their dream ventures with passion and perseverance. Army War Veteran, Captain Yashika Tyagi, delivered a powerful talk on tactical leadership, highlighting the invaluable lessons entrepreneurs can learn from military discipline, strategy, and resilience. Mr. Himadari Sinha offered compelling insights into brand-building and the nuances of scaling a startup, drawing from his rich industry experience. The Shark Tank House session, themed “From Bootstraps to Breakthroughs: Startup Success Stories,” spotlighted founders who had appeared on Shark Tank and transformed their ideas into thriving ventures. They shared candid insights into their journeys, bootstrapping challenges, navigating investor expectations, and scaling sustainably, offering the audience inspiring real-world lessons on resilience, innovation, and the power of believing in one’s vision. The Startup Fest emerged as a vibrant hub of knowledge exchange, featuring thought-provoking panel discussions on diverse themes. These included Founders’ Rollercoasters, which delved into the highs and lows of entrepreneurial journeys; the crucial role

of academia and incubation centres in strengthening the startup ecosystem; and innovations led by MSMEs through technology upgradation and government-backed schemes. Together, these conversations equipped participants with practical guidance, strategic perspectives, and a deeper understanding of India’s evolving entrepreneurial landscape. The main flagship event, the “10 Minutes Millionaire Challenge,” received more than 300 registrations, from which the Top 10 startups were shortlisted by a panel of 15+ investors. We also onboarded top investment partners such as 247VC, Fluid Ventures, A Square Capital, Yashaa Global Capital, Expert Dojo, Deval The Coach, and many more, strengthening the event’s investment ecosystem. A cumulative funding commitment of Rs.10 Crore was made during the challenge. Additionally, a special school-level initiative, “Startup Champs India,” was organised, where five student-led startups secured funding commitments of Rs. 5000 from Poddar Innovation and Incubation Centre, along with the opportunity to sign MoUs with us. These young innovators presented ideas spanning technology solutions, creative product innovations, and social-impact projects, showcasing their ability to identify real-world problems and propose viable solutions through entrepreneurial thinking. The event also showcased a dynamic Startup Expo with 100+ startups and companies exhibiting their innovations and products. Moreover, this year’s fest placed greater emphasis on providing skill development opportunities through internships from leading organisations. We had participation from 1000+ students from almost every college in Rajasthan and 30+ companies, where 99% of the students successfully secured both paid and unpaid internships. Overall, the fest proved to be a transformational platform that inspired and empowered young entrepreneurs, emerging startups, and students, creating new pathways for innovation, networking, and growth.

National Level Intercollegiate Management Fest...

Altius 2024, organized by the Poddar Group of Institutions in association with the Federation of Unicorn Innovative Startups & Industries (FUI SI), was a spectacular national-level college fest with over 400 participants from across the states. The event was a melting pot of talent, creativity, and entrepreneurial spirit, showcasing the best minds from across the country. The fest featured over 20 exciting competitions with a whopping cash prize of 1 Lakh, including Sales Pitch, Case Solution Saga, B-Quiz, Hackathon, Trading Titans, Corporate

Roadies, IPL Auction, Ad Mania, and Ad Reel. Adding glamour and insight to the fest was the Influencer's Meet, featuring youth-famous influencers like RJ Devangna, Naveen Jangid (Fashion), D.K. Singh (Fitness), Chitrangi Sharma (Lifestyle), Dinesh Mohan (Lifestyle), Vinni Soni (Fashion), and Dr. Chinuu Kwatra (Social Activist). The panel discussion was a masterclass in creativity, influence, and purpose, leaving the audience inspired and energized. The event concluded with a memorable DJ Night, where everyone danced their hearts out to celebrate the success of Rajasthan's biggest startup fest of Altius 2024 truly lived up to its name—pushing boundaries, inspiring greatness, and elevating every participant to rise above the ordinary.

TECHNO TRACK

Technotrack, the annual tech-Fest...

Technotrack, is the annual technology festival of the Poddar Management & Technical Campus. Events such as Blackout Coders- Blind Coding, BGMI E Sport, Webwhiz Arena (Website Development), Cyber Scavenger (Technical Treasure Hunt), Tech Exhibition, Tech Track-RC Racing, Drone Race created with the objective of providing a platform for the student community to innovate and showcase their technical expertise, encouraging scientific thinking, technology and innovation between students, a two-day event on the campus of Poddar Management & Technical Campus, Jaipur enticing individuals from all walks of life including students, professionals, academicians.

Year after year, Techfest explores the various aspects of science and technology and the profound impacts they have on our lives. Technotrack has continuously evolved, grown, and pushed the boundaries of what a technical fest can be. With something for everyone, event is the ideal Platform for all techies: young or old, student or professional, beginner or expert, to witness, learn and experience the sensations of Innovations and technology.
