PODDAR INTERNATIONAL COLLEGE
DEPARTMENT OF ARTS(2025-26)

{COURSE OUTCOME}

Introduction :-

The **Bachelor of Arts (BA) in Humanities** programme offered by the University of Rajasthan is designed in accordance with the principles of **Outcome Based Education (OBE)** and the **National Education Policy (NEP-2020)**. The programme aims to provide **holistic, multidisciplinary, and value-based education** by integrating humanities, social sciences, languages, creative arts, and community engagement. It emphasizes the development of **critical thinking, ethical reasoning, communication competence, creativity, and social responsibility**.

The inclusion of **ANANDAM (Social Service)** as a compulsory component ensures experiential and service learning by connecting classroom knowledge with community participation. The programme focuses on nurturing **constitutional values, cultural awareness, employability skills, leadership qualities, and lifelong learning abilities**, thereby preparing graduates for higher education, employment, competitive examinations, and responsible citizenship in a diverse and democratic society.

Course Outcome :-

1. Graduates will demonstrate **foundational and advanced knowledge of humanities and social sciences**, enabling an integrated understanding of society, culture, human behavior, governance, and creative expression.

2. Students will develop **critical, analytical, and reflective thinking skills** to evaluate social, cultural, political, and ethical issues using interdisciplinary perspectives.

3. Learners will acquire **effective communication competencies** in oral, written, and interpretative forms, supporting academic, professional, and social interactions.

4. The programme will enhance **cognitive and intellectual abilities**, promoting logical reasoning, problem-solving, and evidence-based argumentation.

5. Graduates will exhibit **cultural sensitivity and appreciation of diversity**, recognizing regional, national, and global traditions, literatures, and artistic practices.

6. Students will develop **creative and aesthetic abilities**, fostering originality, imagination, and expression aligned with humanistic values.

7. Learners will gain **basic research and inquiry skills**, including data collection, observation, documentation, analysis, and presentation, in line with undergraduate research orientation.

8. The programme will enable students to **understand social structures, inequalities, and processes of social change**, contributing to inclusive and equitable perspectives.

9. Students will be able to **apply theoretical knowledge to real-life situations**, enhancing decision-making, adaptability, and contextual problem-solving.

10. Graduates will demonstrate **ethical reasoning and moral awareness**, guided by constitutional values, social justice, and human rights principles.

11. Through **ANANDAM (Social Service)**, students will acquire **experiential learning outcomes** by actively engaging with communities and addressing local social issues.

12. Learners will develop **leadership qualities, teamwork, empathy, and civic engagement** through structured social service and outreach activities.

13. The programme promotes **environmental consciousness and sustainable development practices**, aligned with NEP-2020 goals of responsible citizenship.

14. Graduates will gain **employability and life skills** such as communication, collaboration, adaptability, time management, and interpersonal competence.

15. Students will be prepared for **higher education, research, competitive examinations, teaching, administration, creative industries, and the social sector**.

16. Learners will demonstrate **digital and information literacy**, enabling ethical access, evaluation, and use of information and technology.

17. The programme strengthens **emotional intelligence and psychological well-being**, supporting self-awareness, resilience, and personal development.

18. Graduates will exhibit **national and global citizenship attributes**, respecting democratic values, pluralism, and social harmony.

19. The course fosters **lifelong learning orientation**, encouraging continuous skill enhancement and intellectual growth.

20. Upon completion, BA Humanities graduates will emerge as **competent, ethical, socially responsible, and culturally informed individuals**, capable of contributing meaningfully to society and the nation.
